HelloTalk UI & UX Redesign

As Product Designer at HelloTalk

HelloTalk is a language learning & exchange app with more than 6 million users worldwide. I worked on the redesign of the interface and the designs for the new features.

Concept Design for Noodl App

Adding Major New Features and Polishing the UI & UX

Noodl is a node-based prototyping app. I used Framer to prototype this concept design to show my ideas in action. For more details and the video: emin.space/works/noodl.html

off the top of my head

And I would ask the interpreters to forgive me for speaking off the top of my head.

Quisiera pedir disculpas a los intérpretes por improvisar el discurso.

Not off the top of my head, no

Nada en mente, no

Off the top of my head, I'd say boredom, loneliness, pain

Lo primero que me viene a la mente es aburrimiento, soledad, sufrimiento

I am not about to ⟨give⟩ an answer on such a sensitive ⟨⟩ the top
